WOODLOG

WOODLAWN HIGH SCHOOL
BIRMINGHAM, ALABAMA
VOLUME XL

Editor — Jerry Bailey
Asst. Editor — Gail Ethridge
Advisor — Annie Katherine Looney

Great and beautiful character
comes by filling well the ordinary offices
of God.
To a wise person
who builds on this foundation
all in life
has great meaning.

To teach well demands much,
for plodding and prodding
is not the teacher's
work. It is rather
inspiration,
the flashing of enthusiasm.
Because art belongs
to life itself,
we are grateful for that
which she imparts.

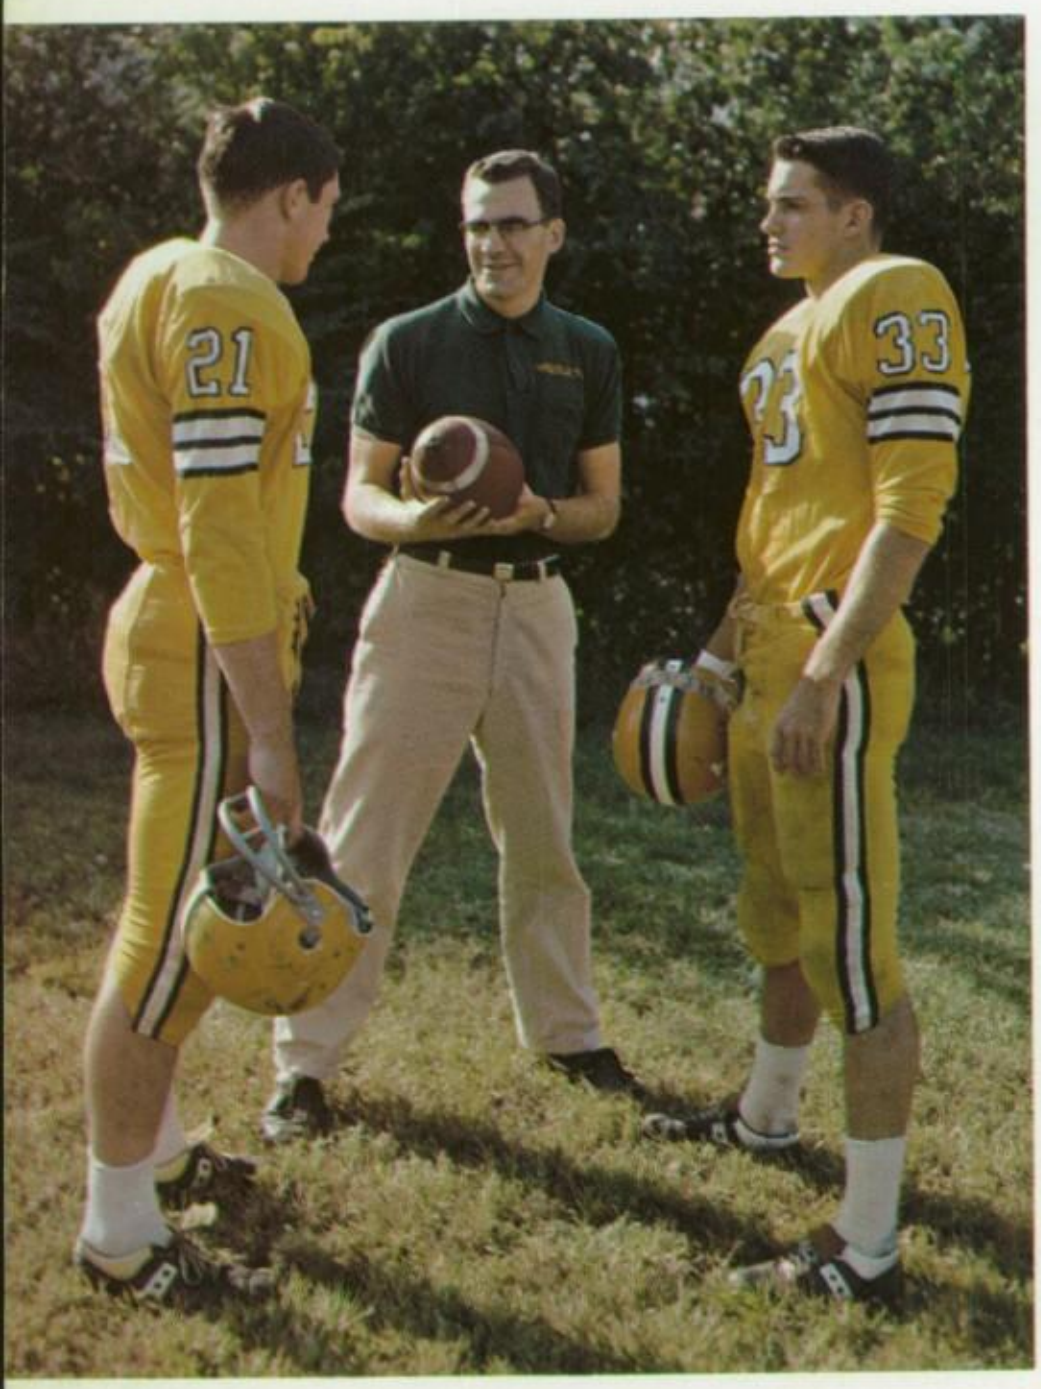
Because she truly teaches, and
is an inspiration
in speech and action, and life
the WOODLOG 1966
is dedicated to

Mrs. Inez Lyerly

Respected teacher, beloved friend.

The Wonderful World

of Woodlawn High



We pause mid the wonders of Life
And the magic of Science,
To bring forth on these pages
The golden moments of time
Just past.
It is our wish to walk again
The paths of achievement, fun,
Beauty and skill;
To ski the winter slopes and
Enjoy the summer sun.
We set them all before
You—
Come walk with us!!

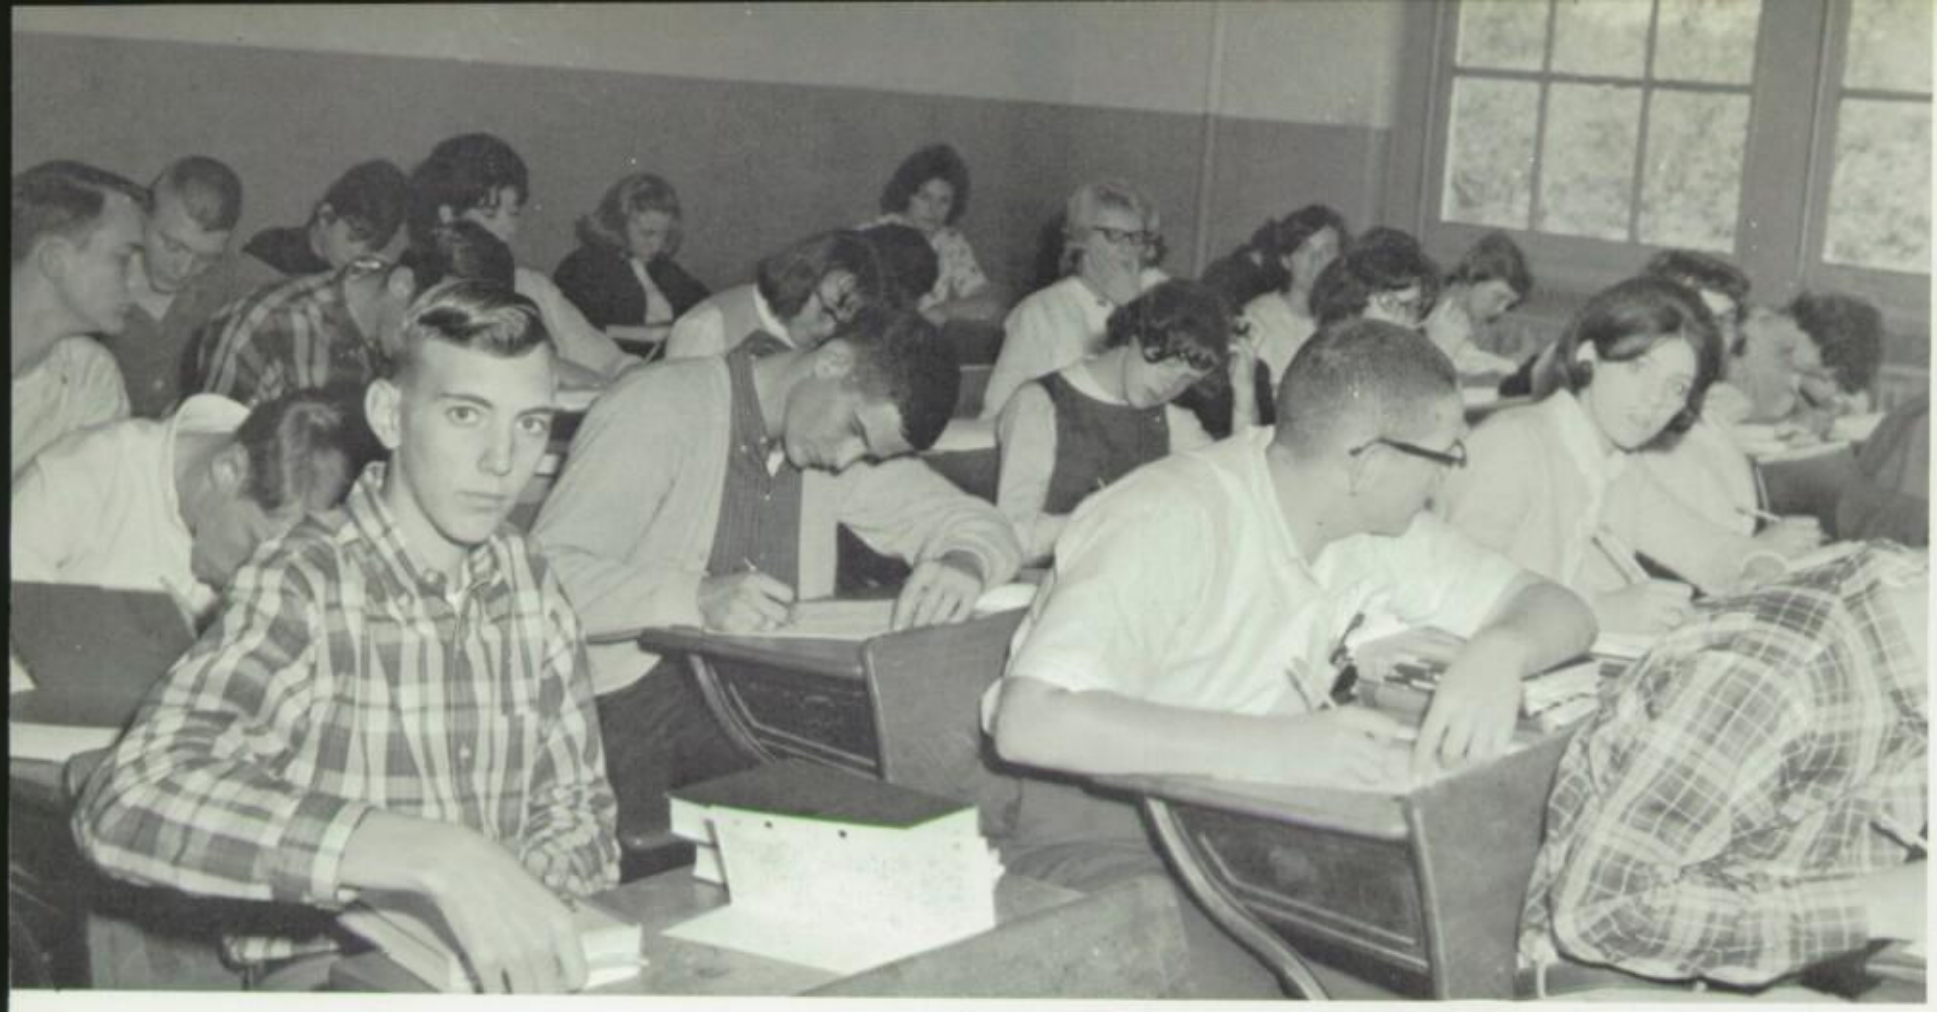
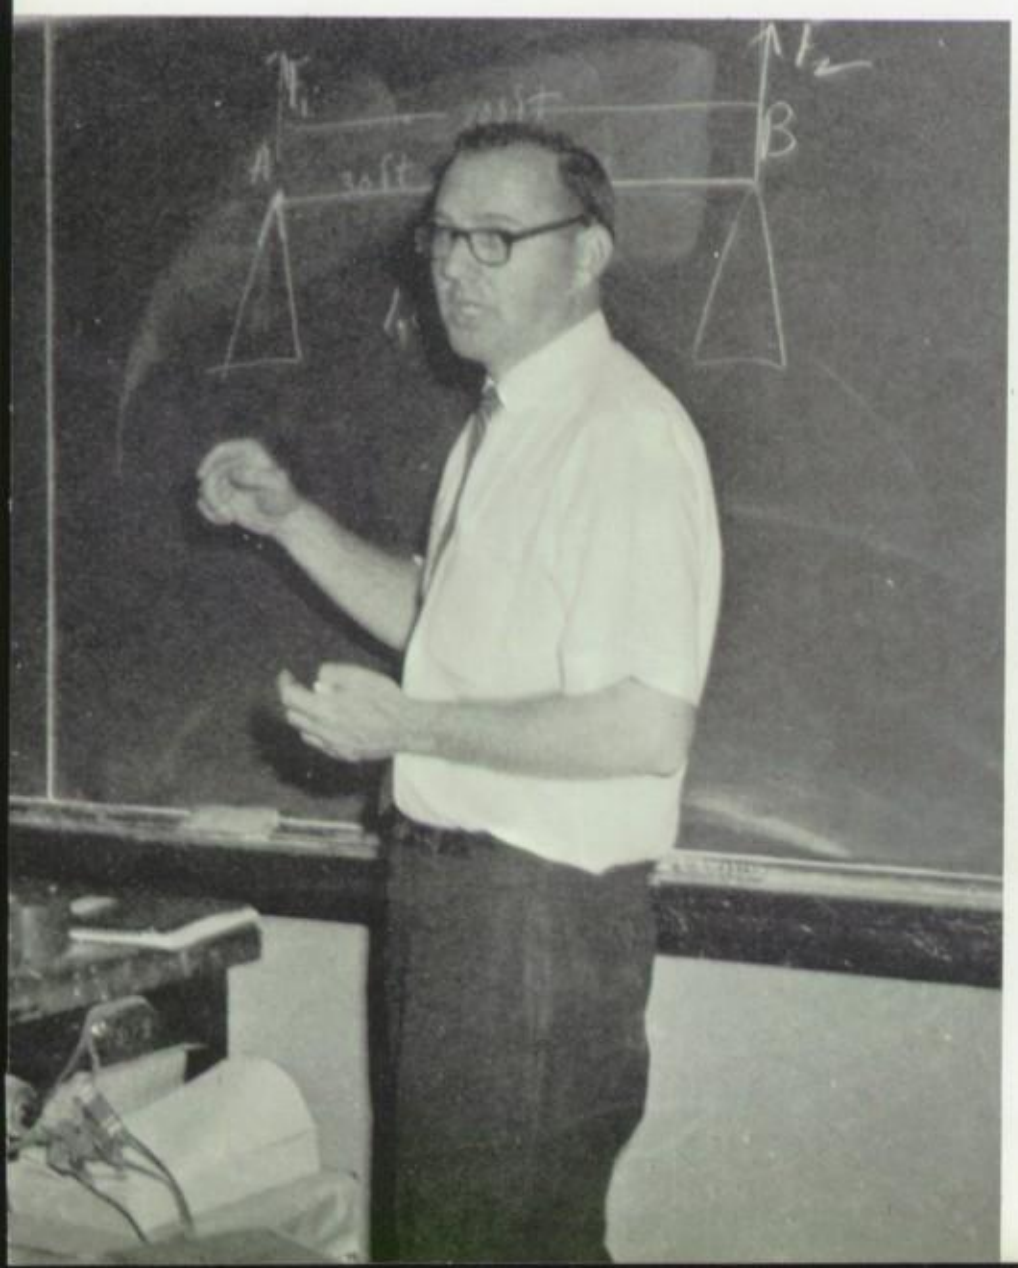
Woodlawn's Doors Conceal

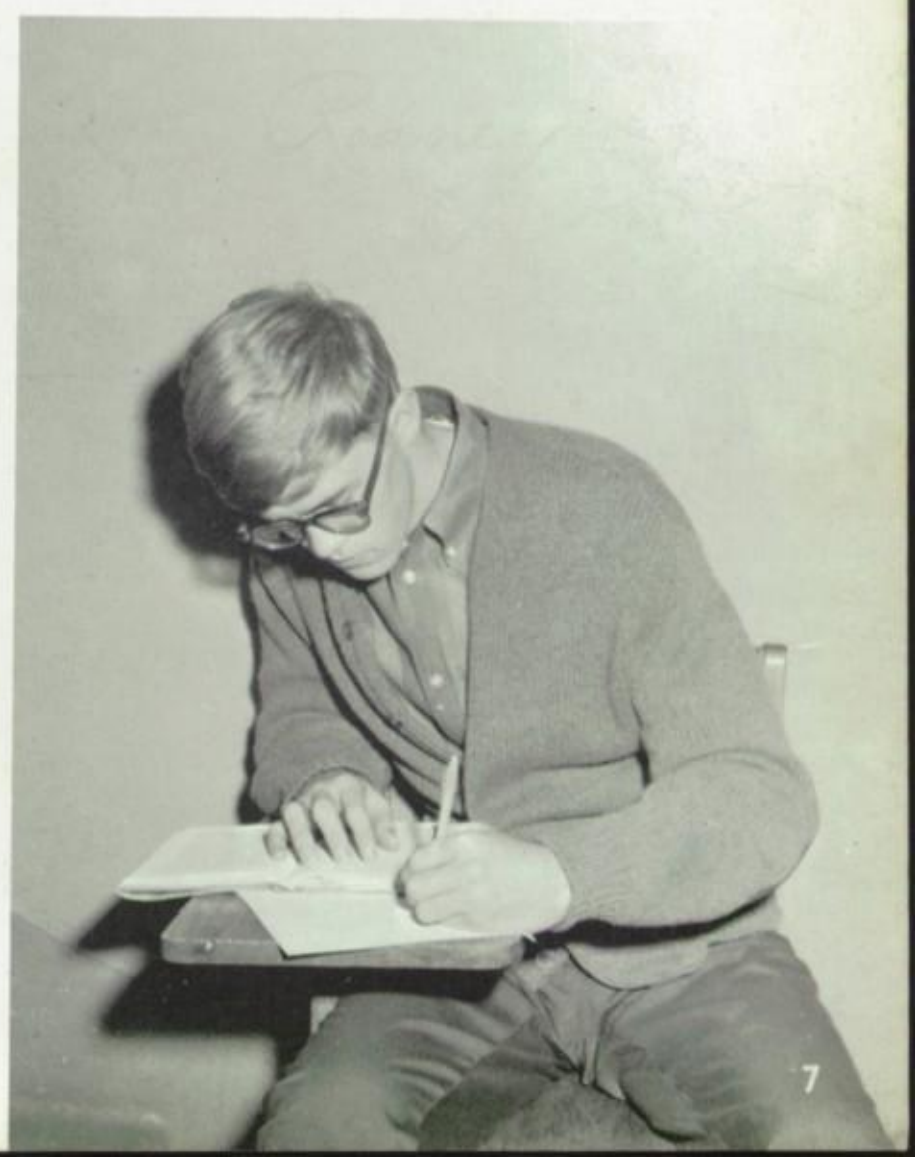
"Knowledge is power." The purpose of our years of schooling is to gain knowledge. Class and current events stimulate the inquisitive student, prod him into an awareness of the importance of his learning in an increasingly complex world.

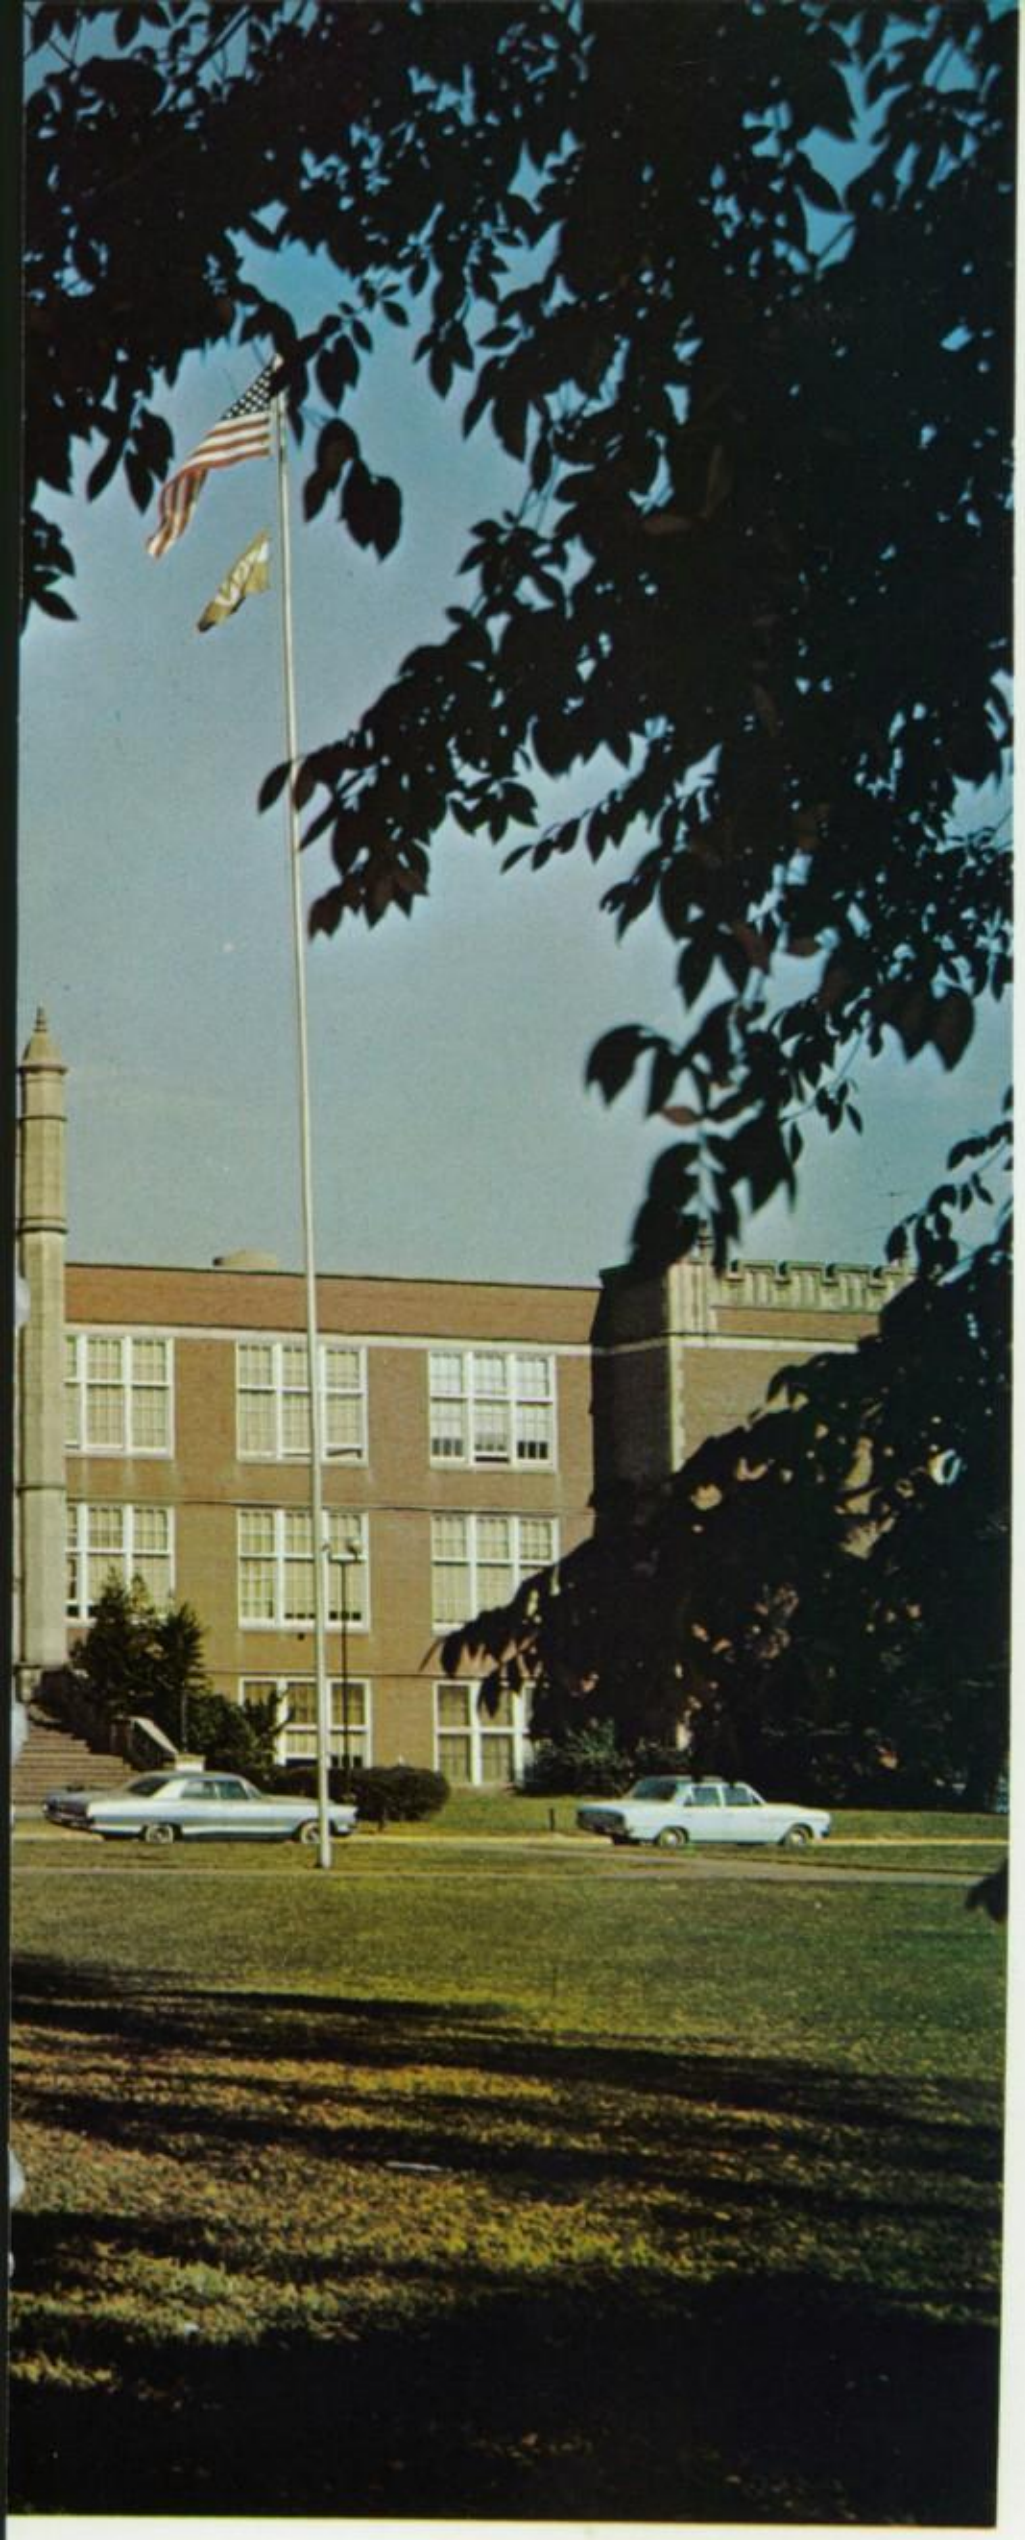


A World of Knowledge

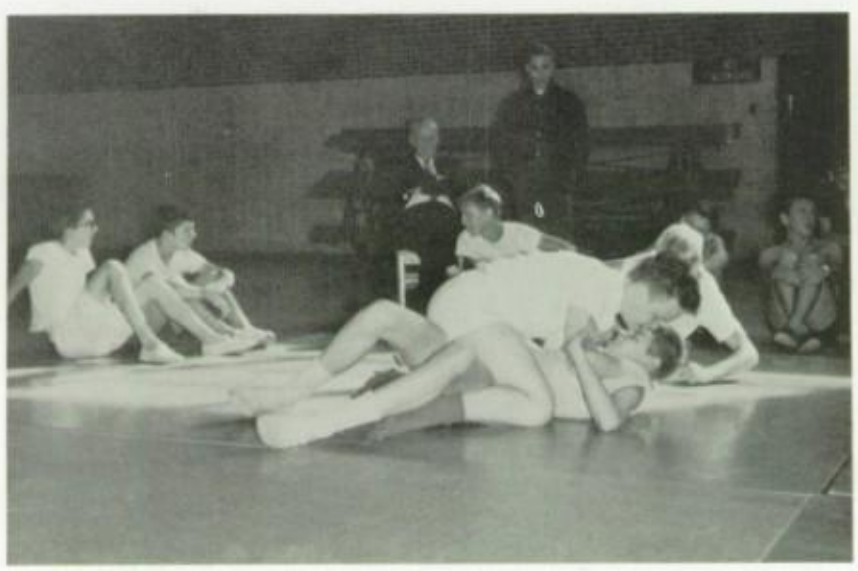
Teachers are constantly striving to instruct us, to invade our minds, and enfold us with understanding. Knowledge is everywhere at our disposal; but we must seek it and use it to the best advantage.







A school building is constructed of steel and cement, strong and permanent; but it is designed to accommodate an ever-changing flow of students. Year after year buses empty their loads each morning, and people stream in waves into the hallways and classrooms. To the rhythm of bells, tides of people wash in and out of the rooms and corridors and finally back to the buses, leaving the building empty. Carl Sandburg in his poem "Skyscraper" says "It is the men and women, boys and girls so poured in and out all day that give the building a soul of dreams and thoughts and memories." As each individual forms a part of the mass, so each personality contributes to the whole of WOODLAWN'S soul—that abstract thing we call school spirit. This small portion of each student remains in WOODLAWN forever.



Students

Each day students of Woodlawn participate in many varied activities. No longer does school consist merely of reading, 'riting, and 'rithmetic. Our education puts emphasis on physical education, competitive athletics, and fellowship, that we might become more complete persons and enjoy a fuller life.

FACULTY

Our Principal, Mr. James R. Tarrant

The students and faculty of Woodlawn High School are indeed honored and most fortunate to have as their new principal, Mr. James R. Tarrant.

Woodlawn High School first recognized Mr. Tarrant's leadership when as an honor student here at Woodlawn he was chosen All-State quarterback. He has continued his high scholarship and outstanding leadership.

Mr. Tarrant brings to Woodlawn High School a wealth of experience. He excelled as head coach at Phillips High School and later at Banks High School. He was the first resident manager and counselor of Auburn's Athletic Dormitory and has been principal of Christian, Gibson, and Huffman Schools.

Mr. Tarrant is a man of honor and integrity. The students at Woodlawn High School have a true friend and loyal leader whose standards inspire the highest ideals in every phase of our school life.

The emblem of the National Congress of Parents and Teachers is the oak tree, the trunk of which represents the national organization; the main branches, the state congresses; the small limbs, the districts and councils; the twigs, the local associations; the leaves, the individual members. Each in turn draws its life from the parent tree. The emblem represents a definite pledge of service and protection to childhood and youth.

A Banks back finds the middle of our defense a little rough.

Bobby Prescott seems to be pulling a long Raider train as Ronnie Stone gets set to block-out a Raider.

The Woodlawn Colonels Finished up the 1965 football season with a 4-4-1 record, although we still consider our Colonels NUMBER 1. They faced some of the toughest teams in the state and gave them a real hard time. We didn't get into the Clinic Game this year but were next in line. If we had, Bank's would have faced one of the most spirited and ready-to-win teams they had ever faced. Many thanks to the boys and Coaches for such a wonderful job this year.

By these expressions can you tell whether we won or lost?

JOE MEDDERS

The work the coaches have done this year has been wonderful. They have guided our boys in victory and, even in defeat, still kept their spirits high. We added two new members to our coaching staff this year who along with the other coaches, are leading Woodlawn to a lot of victories. We thank the coaching staff for their guidance and spirit throughout the year.
